THE TIMES OF INDIA

Roorkhee-based entrepreneur providing quality healthcare

Born and brought up in Roorkhee, a local boy's entrepreneurial spirit has sparked a healthcare revolution across the country. Abhay Agarwal is the CEO of Clinics on Cloud, a company pioneering the concept of health ATMs across India.

"Innovation is not just about technology; it's about solving real-world challenges. My journey to success wasn't overnight. With ventures in medical tourism and telemedicine, I was no stranger to the intricacies of the healthcare industry. Driven by a passion to democratize healthcare access, my latest brainchild is Clinics on Cloud," says Abhay, adding, "It has taken the healthcare tech space by storm. Our health ATMs, box clinics, and portable health kiosks offer a one-stop solution for preventive healthcare, available round the clock. No appointment needed, no waiting around. Our on-demand model empowers people to take control of their health."

He says, "What sets my concept apart is its focus on accessibility. Our health kiosks, equipped with over 60 health parameters, deliver comprehensive check-ups in just ten minutes. We're bridging the gap between patients and doctors. With real-time telemedicine consultations and personalized health advice, the kiosks ensure no one is left behind. With this facility we're reaching the unreachable. These portable health kiosks operate without internet or electricity, catering to rural and urban

Abhay Agarwal, Founder & CEO

"With advanced analytics driving insights into public health issues and personalized care, we are at the forefront of healthcare innovation. Our mission is to make high-quality healthcare accessible to all. The most groundbreaking feature is our AI-based nutrition plans, tailored to each patient's needs. We are promoting wellness. Our plan is to install health ATMs every two kilometres so that access to preventive healthcare is democratized. We have installed over 2000 machines globally, covering 80 cities across 5 countries with six million people tested. I believe that we serve as an inspiration to aspiring entrepreneurs everywhere.
